On a dark desert high-way,  
Her mind is tiffany twist-ed,  
Mir-rors on the ceil-ing,

cool wind in my hair,  
she got the Mer-cedes Benz,  
Pink champagne on ice, (She said)

Warm smell of co-li-tas,  
She's got alot of pretty pretty boys,  
We are all just prisoners here,

rising up thru the air,  
that she calls friends  
of our own de-vice'

Up a-head in the di-stance,  
How they dance in the court-yard,  
And in the master's cham-bers,

I saw a shimmering light,  
sweet sum-mer sweat.  
They gather-ed for the feast

Dm E

My head grew heav-y and my sight grew dim  
Some dance to re-mem-ber,  
They stab it with their steel-y knives\_\_

I had to stop for the night.  
some dance to forget.  
But they just can't kill the beast.

Am E

There she stood in the door-way;  
So I called up the cap-tain,  
Last thing I re-mem-ber,

I heard the mission bell,  
Please bring me my wine (he said)  
I was run-ning for the door

27 G D

And I was thinkin' to myself "This could be Hea- ven or this could be Hell"  
 "We haven't had that spirit here since To nine- teen sixty- nine"  
 I had to find the pas- sage back To the place I was be- fore,

Then she lit up a can- dle, and she showed me the way. There were voices down the cor- ridor,  
 And still those voices are calling from far\_ a\_ way\_ Wake you up in the middle of the night
